

# New Boston Farmers' Market 2022

## Vendor Information

Thank you for your interest in becoming a vendor at the New Boston Farmers' Market. The market runs every Saturday on our Town Common from 10am to 1pm, June 11<sup>th</sup> to October 8<sup>th</sup>. It has a gazebo for the weekly live music and is easily accessed and seen on the corner of Rte. 13 and Meetinghouse Hill Road.

We are striving for a variety of quality products offered by our vendors. All products must be grown/crafted/produced in NH. Coffee beans can be sold here as an exception. We require 75% of a vendor's products to be grown/crafted/produced by the vendor. New craft vendors may only be accepted into the market if the total number of craft vendors doesn't exceed 1/3 (33%) of the total number of vendors.

**\*If accepted into the NBFM, you will receive an acceptance email by May 1<sup>st</sup> with further vendor information.**
